students' life  
experiences

Building up a  
campus with  
love and care

Establishing good  
learning habits and  
methods

# Building up a campus with love and care

Class building

Life education

- Class teachers are important
- Form-based , 3-year-cycle
- Share how to build up a class among colleagues
- Build up T-S and S-S rapport:
  - bridging course
  - Class teacher lesson in first 2 weeks
  - inter-class competitions
  - Class committees

## Enriching students' life experiences

P4 Trip to Macau

P5 Trip to Singapore

P6 Trip to Beijing

Overseas trips are a part of the form-based curriculum

P4 Preserving cultures and old buildings

P5 Respecting different cultures and races

P6 Knowing our motherland

Learning through experiences and self-directed learning

## Enriching students' life experiences

Orienteering – self-directed way to discover and explore different places and cultures

## Enriching students' life experiences

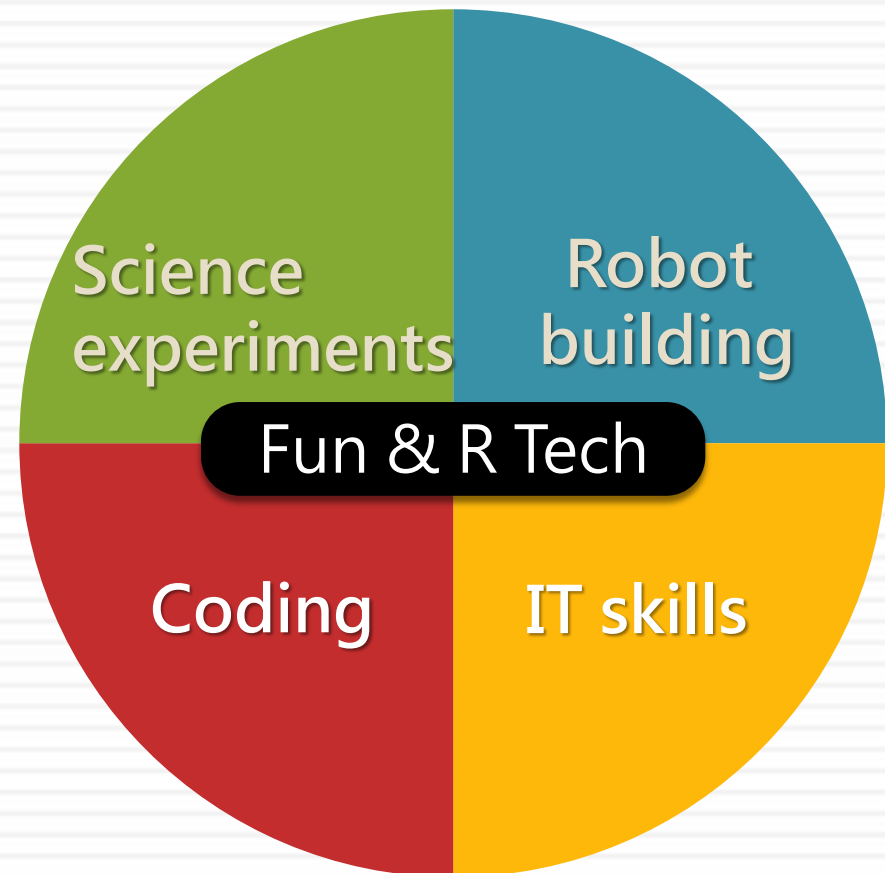

Visiting local schools and learn from one another

	Theme
P1	Dream City
P2	Little transporter
P3	Little engineer
P4	Learning by playing
P5	Ideal TSW
P6	Upcycling

# Preparing students' for the future

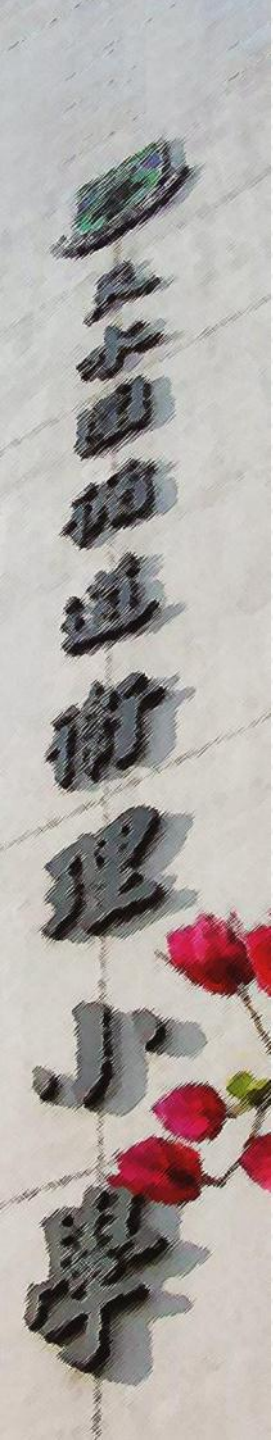

## Developing students' potentials

## Support for Non-Chinese Speaking Students

Our school provides additional support for NCS students to facilitate their learning:

- Providing after-school support programmes in learning Chinese;
- Appointing additional teacher(s)/ teaching assistant(s) to support NCS students' learning of Chinese;
- Arranging intensive Chinese learning and teaching mode(s): e.g. pull-out learning if necessary, split class/ group learning etc;
- Developing school-based Chinese language curriculum and/ or adapting learning and teaching materials;
- Organizing cultural integration activities;
- Learning resources with Pinyin to support learning Putonghua;
- Providing regular students' learning progress update to parents
