

題目內容

Taming of the Monkey King

Lianne Tai

Wukong, the king of monkeys, was witty but naughty.
Causing trouble in heaven, he was punished by Buddha.
Trapped under Five Fingers Mountain,
he waited for years to be freed.
To the west, Tang Monk ventured to get Buddhist Scripture.
At Five Fingers Mountain, the monkey he found.
He let out the monkey,
took him on the journey,
and tamed him with a golden crown.
