

At the supermarket 4A Max Wong

Susie and her mum were at the supermarket. Mum asked, ‘What would you like for breakfast, Susie?’ ‘I’d like sandwiches for breakfast, Mum.’ Susie said. ‘Which would you like, a tuna sandwich or a cheese sandwich?’ Mum asked.

When they arrived at the sandwich section, Susie said, ‘I’d like a cheese sandwich because they are more delicious than tuna sandwiches. However, they are also more expensive than tuna sandwiches...’ You like cheese sandwiches more so let’s buy one. How about drinks?’ Mum asked as they were walking to the juice section. ‘I think apple juice is the best.’ Susie answered.

When they saw that apple juice was sold out, Susie cried, ‘Oh my goodness!’ Luckily a staff just came with new stock. Susie and Mum got a carton, and they were happy.

Back in the 1800s

Last night, Cherry read a book. The book was 'Back in the 1800s'. She fell asleep while reading the book because the book was boring. She dreamed she was back in the 1800s.

After a while, she opened her eyes. She was in a village. She was wearing old-styled clothes. She asked, "I'm hungry. Is there a supermarket or a shopping center?" Everybody was shocked because they didn't know what a supermarket or a shopping center was.

Then, she took out her mobile phone to call for help. However, there was no Wi-fi. Everybody was surprised. A man questioned, 'What is this?' Cherry didn't answer because she was scared.

Suddenly, her phone rang and that woke her up. She said to herself, "Luckily, it was just a dream." She told everybody the dream. She said the dream was interesting.
