My name is Little Small. I love to listen to music. I'm keen on lovely music. When I'm happy, I fly to the sky. I was born in a school with my best friends.

One day, I had an adventure. I packed all the things I needed. I went on the adventure with my friend.

We went to a theme park. It was crazy! First, we followed a man in a big wheel. I was afraid of height so I ducked my head. Some of my friends were rude. They pushed my best friend down from 200m down to the ground so it was broken. Just then, a tall man picked me up. He was just like a gigantic minion. He put me in a big box. I was safe.

Next, we went to a water plane. The man talked to me politely. He put me beside a window. I could see the lovely view of the sea. There were flying fish jumping up and down. We were now far from the theme park. The man said, 'I will take you to England. I would stay beside you.' The naughty eggs were far from me then. I was happy.

After five hours, I fell asleep. 'Peep! Peep! It's time to go!' My alarm woke me up. I went shopping with my new master in England. He bought some cotton for me. It's comfortable. I liked it so much.

Now, I live in a warm house with a kind man - my master! He promises he will protect me forever.

I am **Eggie**. I was born on 19th September, 2018. I was born in an egg box. Now I am one-month-old. **I can talk but I don't want to talk to Vincy**. Let me tell you why.

I had an elder brother. **Vincy didn't take care of him so he died** 😞. I was very angry. Therefore, I didn't want to talk to Vincy.

When she took me home, I thought she would make me die too. However, I found that **Vincy took care of me carefully**. She looked after me patiently every day.

One day morning, I wanted to say **'thank you'** to Vincy but her teacher took me out of the box. It was the last day of the project. After that **I could not see Vincy anymore**.

Now I know that when I want to say **'thank you'**, I should say immediately.

Hello, my name is Candy. I am a cute egg.

On the 19th of September, I went to Class 5D. Miss Chung gave me to a girl called Carman.

Carman became my master. She was nice to me. She always gave me toys to play. She gave me a soft bed. Sometimes when I felt sad, she talked to me. She never shouted at me. She was nice to me. Her classmate had an egg too. I always played with it when my master was playing with her classmate.

We protected each other even I was small. When Carman was sleeping, I would look after her all night.

My master will leave me soon. She will give me back to her teacher. I really want to say 'thank you' to her. I love her!
