Dear Ethan,

I am fine, thank you. I like summer best because it is sunny and hot. I like hot weather. I usually wear a T-shirt and a cap. They are red and green. We usually eat ice-cream. It is so yummy! We usually go to the beach and swim in the sea. It is cool!

My favourite festival is Chinese New Year because I like visiting the relatives. They are happy to see me. I feel happy too. I also go the flower market with my parents. I watch the fireworks at night. They are so beautiful. I wish you all the best.

Love,

Kasper

A Letter to Summer

Dear Summer,

How are you? We are back in Hong Kong now. There are four seasons in Hong Kong. They are spring, summer, autumn and winter.

In spring, the weather is warm and foggy. I usually wear a T-shirt and a scarf. I usually take photos of the flowers. I love flowers because they are pretty.

In summer, the weather is hot and sunny. I usually wear a T-shirt and shorts. I usually go to the beach. I like to swim in the cool water. It is refreshing.

In autumn, it is windy and cool. I usually wear trousers and a tracksuit jacket. I usually go hiking with my family. I don't like hiking because it is too tiring.

In winter, it is cold and dry. I usually wear a sweater and a scarf. I usually eat hotpot and put hand cream on my hands. I love hand cream because it smells good. I like winter best because Christmas is in winter. Christmas is my favourite festival!

Wish you all the best!

Love,
Mrs Wong

Monster Bibi's Day

Today is Sunday. The weather is sunny and hot.

Monster Bibi gets up at eight thirty in the morning.

First, he brushes his teeth. Next, he washes his face. Then he has breakfast at ten twenty-five. He is hungry.

He eats some sandwiches. After that, he goes to Bear Candy swimming pool with his friend. They go there on foot.

When they arrive, they cannot get into the swimming pool. They are surprised. Monster Bibi says, 'Oh! Today is a monster holiday!' Monster Fifi says, 'Let's go to my home to play computer games and eat some yummy cup cakes.'

At last, they go to Fifi's home to play computer games.

They are happy.
