My Birthday

30 April, 2019

Dear Iris,

How are you?

Last year on my birthday, I celebrated at home. I made some cookies and sandwiches. They were delicious.

After that, my parents took my brother and me to the country park. We rode bicycles together. Then we had a picnic at noon. Mum made a birthday cake for me. It was yummy. We ate a lot of cookies and sandwiches. At last, we went home. I was tired.

How was your birthday? Please write back.

Love,

Avana Chow
