### At the Cake Shop

Last weekend, Matthew wanted to buy a cake for his mum's birthday. He went to the Delicious Cake Shop because it's the most popular cake shop. He thought, "It's mum's birthday next week. I want to buy a yummy cake for her."

In the Delicious Cake Shop, he saw two yummy cakes that his mum liked. He thought, "Mum likes both chocolate cakes and strawberry cakes." He looked at the price and knew that the chocolate cake was more expensive than the strawberry cake.

He thought for a long time. The chocolate cake was delicious, but it was more expensive. He said, "I want to buy the strawberry cake." Then he went to the cashier. He shouted, "Oh no! Where is my wallet?" He could not buy a cake for his mum.

In the end, he made a beautiful wallet for her. His mum was surprised.

### **An argument**

One day, Pam and Tony wanted to watch different TV programmes at home. Pam said, "I want to watch cartoons. I think they are funny." She took the remote control and turned on the television. She felt excited.

Tony became angry and shouted, "I want to watch NBA matches. It is exciting!". He wanted to grab the remote control. They argued.

Next, Tony said, "Give me!" and Pam replied, "No! It's mine." They fought with each other. Mum saw them fighting and it made her upset.

Unfortunately, the remote control was broken, and they felt sad. Mum said, "Go to the TV shop to buy a new remote control."

In the end, they were glad to watch television again. They did not argue anymore and they took turns to watch their favourite programmes. They thanked Mum.

### **Back in the 1800s.**

Last night, Cherry read a book. The title of the book was 'Back in the 1800s.' When she was reading it, she fell asleep unconsciously.

Then Cherry had a dream about coming to Hong Kong in the 1800s. When she opened her eyes, she felt very hungry. Some people were looking at her. Cherry said, "I am sorry for bothering you, but I am starving. May I ask if there is a supermarket or a shopping mall? I want to get something to eat." The people said, "Sorry, there isn't a supermarket or a mall."

Then Cherry took out her mobile phone from her pocket and asked her friend for help. Everyone found it incredible to see Cherry talking on the phone.

However, nobody answered Cherry. She was so hungry that her stomach was rumbling, and she was almost unable to stand. At that moment, the alarm clock rang 'ding! ding! ding!'. Cherry jumped out of the bed and rushed to school with her school bag. What a strange dream she had!
