

My best friend is Torres. He is eight years old. He has big eyes and he is thin. He likes to wear yellow jacket. He lives in Tin Shai Wai. He comes to school on foot. His favourite subject is Music because he likes singing songs. He sits next to me. He always plays with me so I like him a lot. I like playing ball games with him in the playground. I am so glad to have the best friend like him. I wish him all the best.
