

My Precious Friend

My Best Friend

My best friend is Aden. He is nine years old.
He is tall and he has big eyes. He likes Mario.
He lives in Kowloon Bay. He comes to school by MTR.
His favourite food is strawberries.

His favourite subject is General Studies because
he can do experiments. He sits in front of teacher's desk.
He is polite and brave. He is good at making models. I like
riding a bicycle with him. I like him.

I am so proud to have a best friend like him.
I wish him all the best.
